South Side Teens Attend Annual Martin Luther King Day Event

Youth involved in South Side Community Coalition’s after school and teen programs were given the chance to attend Lansing’s annual Martin Luther King Day Lunch. Youth attending wrote an essay about the meaning of Martin Luther King Day. South Side Community Coalition would like to recognize Darshay Sherrer, Nybria Sherrer, and Sharron Edwards for their hard work and great essays. SSCC would also like to thank our table sponsor, David Wiener.

Without the support of the community and their generous donations these services would not be possible. In particular we would like to recognize:
